Tailwind CSS React Agile / Lean UX XR / AR / VR SEO Digital Marketing

EXPERIENCE

CONCORD — CLIENT: SALLYBEAUTY.COM

Mar 2023 – Present

Senior Product Designer

- Designed the current Sally Beauty app experience and CosmoProf app experience end-to-end.
- Contributed to the design system and provided implementation guidance across teams.
- Defined user flows and pixel-perfect layouts; currently building AI-powered prototypes for user testing.

NIMBLE.LA

Jan 2023 – Jan 2025

Senior Product Designer

- Led design for DocSnap.ai, an AI-powered contract-insights tool — improved onboarding flow and overall usability.
- Redesigned BridgeHaul's logistics mobile app, streamlining freight workflows and increasing user engagement by **30%**.
- Built a scalable Figma design system aligned with React, Tailwind, and Shadcn, enabling consistency across teams.

GOOGLE C+E STUDIO (VIA BLINK)

Oct 2021 – Dec 2022

Senior Product Designer

- Designed interactive AI-based creative tools — including Smart Stickers — used by millions of content creators worldwide.
- Partnered with AI engineers and product managers to translate ML capabilities into intuitive user experiences.

YAPPA WORLD INC.

Apr 2020 – Aug 2021

Lead UI/UX Designer

- Facilitated UX workshops and created personas and journey maps, improving feature direction and cross-team alignment.
- Designed a modular design system for audio/video social widgets, deployed across thousands of communities.

FULCRUM / REDSTAGE

Jun 2019 – Apr 2020

Product Designer

- Designed UX across healthcare, banking, and food-service verticals, including "Culinary Suite" restaurant management platform.
- Integrated Lean UX into Agile teams, reducing design-to-development handoff cycle time.

UI/UX Designer – XR

- Led spatial UI design for mixed-reality products on Magic Leap and Oculus, aligning UX with hardware and technical constraints.

BAIRESDEV

Jun 2017 – Nov 2018

UI/UX Designer

- Designed dashboards and complex data visualizations for enterprise clients, improving decision-making workflows.
- Ensured design consistency and usability across multiple large-scale digital platforms.

WRAP MEDIA

Jul 2016 – May 2017

UI/UX Designer

- Produced brand-compliant campaigns and high-fidelity prototypes; improved conversion and engagement under tight deadlines.

G2K ARGENTINA S.A.

Mar 2013 – Mar 2016

UI/UX Designer

- Managed branding, UI/UX, and web design for large B2C projects; led team that grew conversions by **25%** via SEO and responsive design.
- Created visual systems, custom photography, and iconography to unify product identity.
